

Consumer & Residential Mortgage Lender Accreditation Program

(CUC-CRM-CRMLE02-PRG)

The 7-course program is accredited by Dalhousie University and was developed in conjunction with the Credit Union National Lenders Committee. This program is a cornerstone for a career in consumer lending. It provides foundational technical skills, then, through the case-based courses, gives lenders an opportunity to enhance both their underwriting and relationship-building skills.

The instructional formats for the courses comprising the program vary and include:

- CUIC® course available two formats: self-study and cohort
- eLearning
- Instructor-led, either in an eClass format or in the traditional Classroom format (the latter on request by an individual or regional group of credit unions).

See the table on the next page for more information.

Upon completion of this program, you will become an “Accredited Consumer & Residential Mortgage Lender”, a nationally recognized accreditation which is conferred jointly by CUIC Inc. and Dalhousie University.

PROGRAM REQUIREMENTS

(see following page for instructional formats)

- Products & Services
- The Credit Union System or Credit Unions: Different by Design (available mid-December 2016)
