

Management Studies Program

CUC-MSP-MGSPE01-PRG

The 13-course program is designed to give you an in-depth understanding of the key competency areas in credit union business management. You require 6 general business courses, 7 credit union specific courses, and the equivalent of 5 years' experience in the financial services industry.

The instructional formats for the courses comprising the program vary and include:

- CUIC® courses available in two formats: *self-study* and *cohort*
- University level equivalents from accredited colleges, universities or professional institutes

See the table on the next page for more information.

Upon completion of this program, you will become an "Associate of Credit Union Institute of Canada (ACUIC)," an accreditation which is conferred jointly by CUIC Inc. and Dalhousie University.

Program Requirements (see following page for instructional formats)

- Accounting
- Management – Business Administration
- Marketing
- Finance
- Organizational Behaviour
- Economics
- The Credit Union System or Credit Unions: Different by Design
- Consumer & Residential Mortgage Lending
- Financial Management
- Fundamentals of Personal Financial Planning
- Credit Union Elective Courses (3)
- Work Experience Requirement

Program Completion

To complete the program and become an Associate of Credit Union Institute of Canada (ACUIC):

1. Complete all of the courses
2. Once complete click on Register to the right of the Request to graduate -Management Studies Program form.
3. The *Cusource*® team will confirm your status as an "Associate of the Credit Union Institute of Canada".

Contact *Cusource* Client Solutions at 1.888.367.1386 or clientsolutions@ccua.com for questions and/or registration information.
